

Microphone

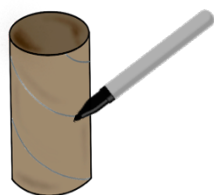

You will need:

- Paper roll
- Markers.
- Foil
- Tape
- Microphone templates
- Optional: wrapping paper (you can use an old magazine), stickers and glitter.

How to do it? Option 1

- 1 Paint and decorate the paper roll with your favourite colours

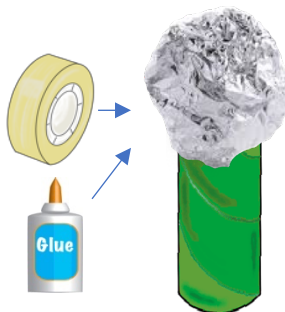

- or Wrap it with colourful paper from an old magazine, or decorate it with stickers

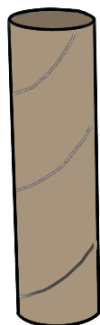

- 2 Make a ball of foil bigger enough to fit in the paper roll

- 3 And fix it on the top of the paper roll with some tape around or glue.

Ready to sing!

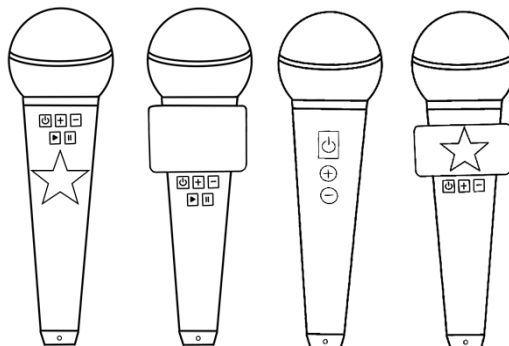

Tip:
You can use a long paper roll and add dot stickers or small lids as microphone buttons.

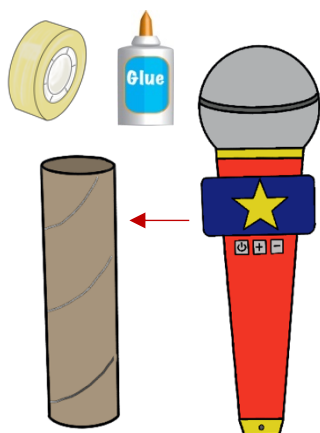

Microphone with templates

How to do it? Option 2

- 1 Cut out your favourite microphone template and decorate it, with markers, stickers, or even glitter!

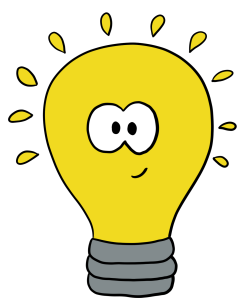

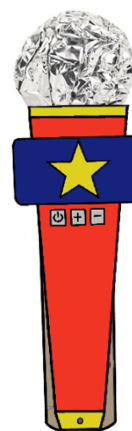

- 2 Glue it or use tape it to the paper roll and it's ready!

Tip

You can also cut out the top and place a ball of foil bigger enough to fit in the paper roll
